

VT- JBA-C

Four Way EX Junction Box for Cable Connection

Features

- Aluminum
- C-level Explosion proof
- Explosion-proof, anti-corrosion, waterproof
- 4*G3/4" interface
- Slight anti-corrosion

VT-JBA-C Four Way EX Junction Box for Cable Connection

Aluminum
four-way junction box for cable connection
C-level Explosion proof
Explosion-proof, anti-corrosion, waterproof
4*G3/4" interface
Slight anti-corrosion

Product	Ex-Level	IIC
	Ingress Protection level	IP66
Other specifications	Temperature range	-40°C ~ 60°C
	Relative humidity	≤ 95% (+25°C)
	Atmospheric pressure	80kpa ~ 106 kpa
	Suitable environment	Apply to explosive gas and combustibile dust environment
	Material	Aluminum
	External dimensions	154mm*62mm
	Inlet hole specifications	G3/4" X 4, have many other output for option
